\* This package is a suggestion only, we will happily customise to your exact preference!

This table is a "no frills" model with a competition grade playing surface made in furniture grade Kiwi pine for stability and endurance. Quality Solid Timber cap and legs with 17mm construction ply internal frame bracing. With all the quality features for dependable performance, this is a table built for years of family enjoyment, and at an unbeatable price!

Your table has a 19mm thick one piece slate bed which is precision manufactured in Italy and is the industry standard worldwide. One piece slate and our unique construction means that this table can be fully finished in our factory and then partially disassembled for transport anywhere. Reassembly is a simple to follow 10 step procedure that any competent DIY person can easily do.
